States in contn of his D.O. No.

From the Dy Commr - Chitaldroog Distt  
D.O. no 185 of 2<sup>nd</sup> March 1915

In contn of sl 30 - forwarded in original  
D.O. no 48 of the 28<sup>th</sup> Feb 1915 from Mr  
Chakrapani Deygar reporting on the  
allegations contained in the 2 petitions  
referred to in sl 26.

Subd

by Mr 12. The allegations are that  
4/3/15

- (i) that the Head Master Gopala Rao &  
Jopalakrishna Rao & Assistant Masters  
Karayana Rao & Lakshminipathi, demanded  
a bribe of Rs 20 from the father of one of the  
boys Bhimasena Setty for having got the  
Scholarship and
- (ii) That in making payment of the first instalment  
of Rs 5, a receipt was taken for the full  
amount but only "6-6" was actually  
paid to the boys.

13. Mr S. Chakrapani Deygar

Sub-Divisional Assistant Commissioner was  
deputed by the Dy Commr to hold a  
Confidential Enquiry and his report in original  
has been forwarded.

14. The S.D.O has examined the  
two boys Bhimasena Setty, & Obiah, and the  
father of the former one Hanumantha Setty, and

Serial  
No.

recorded their statements. They say that all the allegations contained in the petitions are true. No enquiries have been made of any of the masters complained against, nor have they been afforded an opportunity of explaining the allegations made.

15. The conclusions at which the P. D. O. has arrived are

- (i) That much importance cannot be attached to this one-sided story
- (ii) That it is highly improbable that three of the masters could have conjointly done a thing of the kind complained of.
- (iii) That the head master and his assistant are unpopular, and the boys may have probably been set up by some body who does not like them to complain against them in this manner.

16. It is also stated that the balance of one year's Scholarship viz Rs 55 has been paid to Hanumantha Setty father of one of the boys, and a similar sum is intended to be paid to Obiah the father of the other boy who has gone away somewhere on his return. In these circumstances the S.D.O. thinks there is nothing more to be done in the matter.

7605-18

Serial  
No.

17. Incidentally it has been elicited that a similar complaint was preferred by the boys to the Dy. Inspector of Schools. Very probably that officer has made fuller enquiries, and found out the real truth of the matter. The petitions may, if approved be referred to the Inspector-General of Education with a request to call for a report from the said officer, and take needful action.

21. Similar petitions complaining against the Head Master of the Anglo-Vernacular School, Molakalmuru, were received here, in the Circle Inspector's office and in the District Inspector's office. The District Inspector held an inquiry on the spot on the 29th January last and recorded as follows on the statement given by Hanumanthappa, the father of the boy Bhimasena Setti, the complainant:-

"The allegations against the Head Master herein made seem to be quite false. This statement was given by Vysyara Hanumanthappa after a good deal of wavering hesitation, etc. His behaviour showed that he had been set up against the Head Master by some mischievous people of the place. The father of the other boy connected with this case by name Obaiya came after having been sent for several times; but even then he did not give his written statement nor did he give straightforward and consistent answers to questions put to him regarding the subject".

The Circle Inspector (Mr. B. Dasappa) also held a local inquiry and reported that the allegations

2315 (Enclosure 4)  
Vid in person  
26/9/15 N.

To  
The District Inspector of Education  
Chitalnug.

Sir

I went through the records shown to me about the allegations made against me by the students of the school viz. Ashimasa-chetty & D. obaiah, The following is all I have to say in the matter.

V I received Rs ten 10/- on 11-1-15, being the scholarship amount for Jan 15 to be paid to the 2 boys in question, with instructions from the palace comptroller to send recommendation every month for the scholarships of subsequent months. Accordingly the amount was disbursed on 12-1-15, The signatures of the boys being taken in the school acquittance roll and as they are minors separate receipts were also taken from the parents for the payment made. At the same

same time I informed them that fresh recommendation was to be made every month, for the Scholarships as stated in the palace comptroller's docket no 2545 of 7-1-15, and as such they should ask their boys to be punctual in their attendance and also to work hard. #

3. A few days after, (ie) on 18-1-15 I received a sum of Rs 110/- of the Scholarship amount for the remaining 11 months from the palace Treasurer.

I made a reference to the palace comptroller if the amount could be paid to the boys in one lump or monthly as there was no clear instruction to me in the matter.

4. Meanwhile Hanumanappa, father of the 1st petitioner, Bhimasena-chetty came to me and requested to pay up the full amount, stating

stating that he was in need of it. I refused payment pending instructions from the palace.

I received instructions from the palace comptroller on 6-2-15 that the full amount might be paid in one lump. I sent for the parents of the boys to make payment but they were not in the station.

Hanumantappa came to me on 23-2-15 when he was paid Rs 55/- due to his son for the remaining 11 months. D. Obaisa father of the 11<sup>th</sup> petitioner, D. Obaisa came to me on 30-3-15 and received Rs 55/- due to his son for the remaining 11 months. The receipts obtained from them in due form were sent to the palace comptroller on 23-2-15 and 30-3-15 respectively. Copies of which are here-with attached.

I have reported all this

This to the Circle Inspector of Education,  
 Bangalore, in my docket no 175 of 29-3-15  
 in reply to his docket no  $\frac{6903}{2579}$  of 15 $\frac{3}{4}$ -15  
 forwarding for early report Inspector.  
 - General's Register no  $\frac{8495}{1437}$  of 10-3-15.

The boy had nothing to complain  
 as regards the payment of the 1st  
 instalment (ie) Rs 5/- which was made  
 on 12-1-15. Because I refused to  
 pay in one lump the amount (ie) Rs 5/-  
 for each boy received for the 1st  
 time, awaiting instructions in the  
 matter from the Palace, when  
 Hanumanappa, father of the 1st  
 petitioner, Bhimaswamy, came  
 and requested for the payment of  
 the full amount, he was afraid  
 that the amount would not be paid  
 to his son if he were irregular in  
 attendance or for his not working

working hard.

Now I am led to believe that he must have ~~written~~ the petition complaining that the previous amount (ie) Rs 5/- was not paid in full, thinking that the remaining amount (ie) Rs 55/- would be paid in one lump if such complaint was made, under the following grounds.

- 1 If he had anything to complain ~~to~~ against me about the 1st payment he would have done it on 12-1-15 alone, the date on which it was made, without waiting till 20-1-15 the date on which he has put in the petition, and he would not have received part-payment.
- 2 There would have been no such complaint if the amount Rs 55/-

amount Rs 55/- was paid to him on 18-1-15 the date on which it was received, without waiting for instructions from The palace.

3

Both would have signed The 1st petition dated 20-1-15 if there was any room for such Complaint.

From the records it seems that the 1st petitioner, Shimasena-chetty, sent his petition on 20-1-15 and took nearly 8 days to make the other boy, Obaia consent to sign the petition written by himself and sent the 2nd petition signed by both on 28-1-15.

Under the circumstances I can quite understand that ~~Hannam~~ Hanumantappa, father of Shimasena-chetty, is at the bottom of all this mischief.

In conclusion I would say  
 That the boys may be given any  
 punishment, you may think fit  
 to inflict upon, just to enable me  
 to maintain the discipline of the  
 institution.

I beg to remain Sir

Sir, I went through the petition written by Bhimasena Setty, student, A.V. School, Molkalnur, dated 20-1-15 and that of D. Oriah and Bhimasena Setty written jointly on 28-1-15 both addressed to His Highness the Maharaja of Mysore. I also heard the statements given by the above mentioned boys and the father of Bhimasena Setty before the Sub-Division Officer, Chellakere Range.

The Headmaster C. Gopalakrishna Rao sent for me and informed me of the fact that Rs 15/- were received from the Palace Comptroller towards the prizes to be given to B.R. Guruswami Rao, Meenai and Krishna Rao students of the A.V. School, Molkalnur. At this time Lakshminarayana Rao acting assistant master of the school, Oriah + Bhimasena Setty students of the school with their parents were present. The parents of the boys received Rs 5/- each and gave written receipts for the same while the boys signed in the Acquittance Roll.

This is all what I know in the  
matter.

Honoured Sir,

Having gone through the whole record concerning the allegations made by 1. Bhimasena Setty + 2 D. Obiah Students of the school, against our headmaster Mr. C. Gopalakrishna Rao, I beg to state the following lines as per my statement in the respect.

A sum of Rupees 10/- was received from the Palace being the amount of scholarship due to the boys named above for January 15, on 11/1/15. It was paid to the boys on the 12th of January 15 in the presence of their fathers, myself and Mr. B. Narain Rao, the then assistant master of the school, who is now the Headmaster at Holalkere. The boys' signatures were taken in the School Acquittance roll and separate receipts were taken from their parents as the boys are both minors. This is all what I

I have no notes.

Docket No.142~~1~~/163 dated 20th October 1915 from the District Inspector of Education, Chitaldrug, to the Circle Inspector of Education, Bangalore.

-----  
1 With reference to his docket No.1532/65 of 30-8-1915 forwarding letter bearing Inspector General's Office Reg. No.4545/272 of 20-8-15 with 3 enclosures from the Secretary to Government, General Department calling for a report on the several points referred to in the two petitions regarding the allegations made by Bhimasenasetty and Obiah, pupils of the A.V. School, Molaxalmuru, against the Head Master of the school as well as the statement given by them before the Sub Division Officer and also calling for the statement of the Head Master and Assistant Masters, B.Narayana Rao (now temporary Head Master, A.V. School, Holalkere) and V. Lakshmipati Rao as to what they had to say in the matter, has the honour to report that the undersigned went to Molaxalmuru on 25-9-15 and held a local enquiry regarding the same.

2 The following facts can be inferred from the records of the Anglo-Vernacular school and the statements given (1) by the boys Bhimasena Setty and Obiah, (2) by their parents, (3) by the Assistant Masters, Narayana Rao and Lakshmipathi Rao and (4) by the Head Master Gopalakrishna Rao.

3. Scholarship of Rs.10 for the month of January 1915 to be paid to both Obiah and Bhimasena Setty was received by the Head Master from the Palace Comptroller on 11-1-15 with instructions that scholarships for subsequent months would be remitted on receipt of requisition every month (Palace Comptroller's No.2545 of 7-1-15). Accordingly the amount seems to have been disbursed to the boys on 12-1-15 and receipt taken from the parents of the boys as they are minors, getting the signatures of the latter in the acquittance Roll. From the school records it is found that the receipts of the parents have been sent to the Palace Comptroller for

for reference. Both Narayana Rao and Lakshmipathi Rao, the two witnesses cited by the complainants clearly state that the scholarship amount was paid to the parties in their presence and receipts were taken for the same (Vide enclosures Nos. 5 and 6) and that the Head Master informed the parents to <sup>be</sup> ~~have~~ very careful about the progress and attendance of their boys as he had to submit recommendation every month for getting the scholarship from the Palace Comptroller. This seems to have created some suspicion in the minds of the parents as to the certainty of their children getting the scholarship for one full year, one of the boys Bhima Setty being backward in studies (He was not promoted to the English II in April last for not making satisfactory progress). In the meanwhile to heighten matters, the Head Master received the sum of Rs. 110 in one lumpsum from the Palace Treasuries, being the scholarship amount for the remaining 11 months. The Head Master did not think it necessary to inform this to the parents or to the boys, as he had no clear instructions to disburse the same either monthly as the scholarship accrued or in advance for the subsequent 11 months. This was some how aired out and Hanumanthappa, the father of Bhima ~~and~~ Setty probably suspecting that the Head Master expected some remuneration for having got the scholarship sanctioned for his boy for its prompt payment, hurried to the Head Master and requested him to pay up the full amount in advance. Evidently the Head Master could not immediately oblige him in the absence of definite instructions from the Palace Comptroller. This seems to have confirmed the suspicion which he had before and made him consult others, who were not in good terms with the Head Master, for suggesting means to gain his object. Backed by the ~~pe~~ people and at their dictation, (the composition and form of the petition being too high to be attempted by the father or the son) the first petition seems to have been got written on 20-1-15 by Hanumanthappa and sent to His Highness the Maharajah about the 25th January 1915 after waiting for 4 or 5 days if the

amount would be paid to him by the Head Master as he desired, a copy of the same being addressed to the Inspector General of Education. To strengthen his complaint and expedite payment of the scholarship in advance, Bhima <sup>Send</sup> Setty wrote the 2nd petition himself brought Obiah to his house and induced him to sign it (Vide statement given by Obiah No.9 enclosure). In both the petitions the boys do not press at all for the payment of the balance of scholarship for January 1915, which ought to be their chief complaint, but for the payment of scholarship for the subsequent months in some Taluk Office or other to avoid the channel of the Head Master who had the authority to recommend for the discontinuance of the same if they did not show satisfactory progress in their class studies.

4 The acting District Inspector of Education, Mr. K. Subba Rao received a similar complaint petition from them, when he went to Molakalmuru on 29-1-15 and on enquiry he left the following remarks in the Diary "The allegations made in the petition appear to be quite unworthy of belief".

5 The Palace Comptroller sent instructions to the Head Master with his No.2892 of 3-2-15 to pay the whole scholarship for 11 months in one instalment. The Head Master states that he sent for the parents of boys, but they were not in the station then. The Head Master went to Shimoga on 9-2-15 in connection with the Industrial School work and returned to Molakalmuru on 22-2-15. This delay in payment seems to have still further increased the misunderstanding between the Head Master and the parents of the boys. Therefore they seem to have made up their mind to give their statement before the Sub Division Officer.

6 The Head Master disbursed the remaining scholarships for 11 months to the parents of children on 23-2-15 and 30-3-15. Had he been wise enough to intimate to the parties concerned (either the boys or parents) immediately on receipt of instructions for the payment of the scholarship in one lumpsum, from the Palace authorities,

perhaps there would have been no necessity for Hanumanthappa or the boys to give the statement before the Sub Division Officer.

From the statement given by the boys and their parents (Vide enclosures Nos.7 and 8) it is evident that they have received the full amount of scholarship due to them for one year. The boys now pray that they may be pardoned for writing the petitions, at the instigation of others (Vide enclosures 9 and 10) and hence they say they are unable to prove the allegations made against the Head Master.

As both the complainants are young and below 11 years of age, their bad conduct does not deserve to be seriously noticed. Any how, to set an example to other boys and to maintain school discipline, some corporal punishment may be inflicted on Bhima Setty who took the lead in the affair and Obiah may be severely warned.

The enclosures of the docket are herewith returned.
